Supreme Court Justice Antonin Scalia

Please do not hit "reply"; instead respond to William Fitzpatrick WilliamFitzpatrick@ongov.net

On behalf of America's prosecutors, the National District Attorneys Association mourns the passage of Supreme Court Justice Antonin Scalia. His passing is an immeasurable loss to all Americans who value freedom and cherish the wisdom of the United States Constitution. Every prosecutor in America who fights daily to protect the innocent, speak for victims and seek justice has lost a friend. NDAA offers our thoughts and prayers to his wife Maureen and his wonderful family in memory of this American giant, the son of an Italian immigrant father and a first generation Italian American mother. He was a true champion of the American way.

William Fitzpatrick
NDAA President
